Deputy Principal’s Report

Kindergarten Reports

This year’s Semester 1 Kindergarten reports have changed. In line with the new National Curriculum and NSW Syllabus documents, our Kindergarten reports will now follow the same structure as our reports for Years 1 through to 6. The list of descriptors for Key Learning Areas such as English and Mathematics will be directly aligned with the new syllabuses. There will still be a detailed comment about your child’s progress in each Key Learning Area yet there won’t be a general comment at the end of your child’s Semester 1 report. All parents will have the opportunity to book an interview time for weeks 2 or 3 of next term where they can speak directly with their child’s teacher about the Semester 1 report.

School Cross Country Presentation

I had the pleasure this week of attending our school Cross Country presentation assembly and participating in an official capacity. It was great to see some of our parents in attendance to support their children as they collected and displayed their place ribbons with pride. I was also extremely impressed with the confident manner in which our school leaders managed the ceremony. I would like to take this opportunity to thank both Mr Bowen and Mrs Ryan who worked hard with our sports leaders to plan, rehearse and deliver such an outstanding presentation ceremony.

Scouts Presentation

Gai Green from the Scouts is visiting Kariong PS on Monday afternoon 16 June to run a Scouts (Joeys) information session for all Year 1 students. The information session will take place in the school hall from 1.35pm. Interested parents are invited to attend.

Presentation schedule: 1.35pm to 2.10pm – classes 1G and 1E 2.15pm to 2.50pm – classes 1H and 1M

Afternoon Dismissal Request

Our school day concludes at 2.55pm each afternoon. We ask that you please respect this finishing time and keep preschool children away from the classrooms, as their noise and movement is disruptive to student learning.

Morning Assemblies

Thank you to those parents who continue to attend our morning assemblies and watch from up in the COLA. This helps to minimise noise and distractions for our students and also frees up our pathway to facilitate movement to class at the end of our assembly.
