Deputy Principal's Report

Value of the Month

Congratulations to our Value of the Month recipients for September who have demonstrated the value of CARE. It is always a great pleasure to enjoy morning tea with these students and listen to them speak about how they were nominated to receive their award. This is also testimony to our parents who continue to work hard to raise their children to become caring citizens.

School Photos

This week your child received a personalised envelope from MSP Photography. This envelope needs to be returned on Photo Day, Friday 10 October, whether purchasing photos or not. Students are to wear their full summer uniform, including black shoes. Family photos for students who attend our school will also be taken on the day. If you wish your children to have a family photo taken you must collect a family envelope from the office early next term prior to photo day. This envelope needs to be returned to the office no later than Thursday 9 October so a timetable can be arranged to collect siblings for their photos.

ICAS English Results

Congratulations to the following students for receiving certificates in the ICAS English Test:

4 Credits: Benjamin P, Noah R-L (not present), Bailey G, Nathan H.

The ICAS tests are very challenging, so receipt of a certificate for these tests is commendable! Well done!

PBL Update

The launch of Positive Behaviour for Learning (PBL) at Kariong PS will take place in the second week of Term 4. During this launch all students will be shown an informative video explaining what PBL is and showing them how they can demonstrate our three core values of RESPECT, RESPONSIBILITY and PERSONAL BEST. The P&C have kindly supported our school with the purchase of the first stage of our PBL signage. As a direct result from the input of staff, students and parents, our PBL committee has agreed on the installation of three large pencils in our school colours at both school entrances, displaying our three core values. The PBL Committee has also agreed on the installation of a mesh sign across the front fence at the Langford Drive entrance, which will display a collage of images of our students and highlight the three core values that Kariong PS observes. All classes will be focussing on the explicit teaching of our three core values throughout Term 4 and students will be regularly rewarded for demonstrating these three values both in class and in the playground. The official launch of PBL is a very exciting time for our school!

Have a safe and relaxing holiday with your children and we will see them in summer uniform on Tuesday 7 October!
Peer Support Update

In this week’s final session of the peer support module *Keeping Friends* the children will be participating in a board game, reinforcing all of the concepts and skills that have been learnt over the past 7 weeks. They will be reminded of the qualities of a good friend and the skills needed to maintain friendships and make new friends. Each Peer Support group will have the opportunity to celebrate what they have learned and friendships and connections they have made.
