REPORTS:
Presidents Report:
Marilyn will be unable to attend the conference due to heavy workload. Only 3 more meetings prior to the fete, so need to have the planning completed in Term 3. Term 4 should only be “tweaking” the fine details. kariongpandc@gmail.com email has been setup so that emails are forwarded to Kerry Spratt.

Principals Report:
2 recent school development days, both very successful. Christine Richmond was a fantastic speaker very engaging and this was very timely with Student Welfare Policy review.
Today’s staff development day; “Differentiating the curriculum” which fits into the 3 year plan. More effective way of teaching all kids, not just the G&T kids.
“Focus on Reading” which is a 3-6 program, however will be introduced for K-2 to see how reading is taught in 3-6.
Student Welfare Policy review. Parent teachers interviews were very positive, only positive feedback from both teachers and parents. Parent satisfaction survey to gauge how the community feels about the school, John would like to make the questions parent suggested rather than the generic questions that are usually asked.

Treasurers Report:
2 cheques for Support Teacher and Library Donations were written.
Westpac Balance: $1,503.71
Commonwealth Bank Balance: $20,696.58

Fundraising Convenors
For the record, the report was sent to Kerry and will be forwarded out.
