Kariong Public School

NAPLAN 2012

Our Year 3 and Year 5 NAPLAN results are very good, with scores in all tests exceeding the national average, and some very strong individual results. The average scores are generally well above both Regional averages and 'Similar Schools Group' averages (the schools we're statistically close to socio-economically). The growth in performance of our Year 5 students compared to the results they achieved in Year 3 is also very strong.

Our strong results reflect the good work done by all staff (teaching and non-teaching, NAPLAN years and non NAPLAN years). It comes from the sound educational practice across the school, and the outstanding support all staff give our students in all areas of school life.

Highlights

- Year 5 (Girls-44 students) have improved by 54 scale scores from the 2011 data in the test aspect of Reading.
- Year 3 (Boys-38 students) are 22 scale scores above the state average in the test aspect of Reading.
- Year 5 (Girls-44 students) are 10 scale scores above the state average growth in the test aspect of Spelling.

Area for investigation
