General Business

- Brooke Harvey and Amanda Taylor recommended that a forward planner be created next year for fundraising events so that school activities can be aligned in advance.

- Beth Schumann commented after the meeting but wants added to the minutes: “Two ‘problem gambling’ counsellors from local organisations addressed the CCC P&C regarding problem gambling and how their organisations could ‘reach out’ to school aged children and deliver a message about the dangers of problem gambling. The CCC P&C agreed to consider this”.
